

## **PURCHASING**

*[Executive Committee: ]*

The RFA is committed to supporting fair and ethical labour practices. The buying practices of the Association will reflect this commitment wherever possible.

The Association will therefore support, whenever and wherever possible:

- companies with a unionized labour force and companies that follow fair trade practices as they are defined by Ontario labour law;
- credit unions, co-operatives, and community ; and
- organisations with explicit social and environmental commitments.
